January-December
Vol. 40, Nos. 1-12

FOR CONSULTING ENGINEERS, MECHANICAL (HEATING, PIPING & AIR CONDITIONING) CONTRACTORS, AND ENGINEERS WITH PLANTS AND BIG BUILDINGS

1968 VOLUME INDEX

HEATING PIPING & AIR CONDITIONING

Subject Index 3
HPAC Data Sheets 11
HPAC Engineering Data Files 11
NLRB 11
HPAC Legal Pages 12
Computer Corner 12
HPAC Conference: Air and Water Pollution Control 12
HPAC Conference: Air Systems 12
Author Index 12

THE VOLUME INDEX lists the feature editorial material appearing in Heating, Piping & Air Conditioning, and also items from the Open for Discussion, Question of the Month, and You'll Want To Know departments of the magazine. This material is indexed by type of system, construction, or function. For example, the article "Variable Volume System Coupled with Air Floor in Office Building Design" is indexed under the key words "Variable," "Air," and "Office." In addition, HPAC Data Sheets, HPAC Engineering Data Files, HPAC Legal Pages, and HPAC conference papers are indexed separately.

A month and page number that appears in italics in the index refers to comments on the indexed article. These comments appeared in the Open for Discussion pages.

Heating, Piping & Air Conditioning is published monthly by Reinhold Publishing Corp., a subsidiary of Litton Publications, Inc., a division of Litton Industries, 10 S. LaSalle St., Chicago, Illinois 60603.

A

A General Model For Investment Decisions, by A. Reisman .....Apr 110
A General Model for Investment Decisions, by A. Reisman .....May 133
A Successful Gamble Not Generally Recommended (Open for Discussion), by Anon .....*Jun* 92
Absorption Systems Possible. Modified LiBr Absorbent May Make Air Cooled .....Mar 60
AEC Okays Nuclear Power Plants in Pa. .....Apr 40
Aerators Serve Refinery's Water Purification Lagoons. Floating .....Apr 36
Air Balancing and Testing, by M. J. Wind .....Dec 112
Airborne Particles. Automatic and Remote Monitoring of, by A. Lieberman .....Nov 117
Air Conditioned Research Building. Ceiling Plenum Is Air "Source/Sink" in, by W. B. Matney .....Sep 117
Air Condition 58 Nonfederal Hospitals in Chicago. $53 Million Needed To .....Mar 56
Air Conditioner Shipments Topped 1 Million Mark Last Year. Unitary .....Jul 48
Air Conditioners Up 13 Percent in First Half of 1968. Shipments of Unitary .....Nov 46
Air Conditioning and Reheat System for Biology Building. Sequentially Controlled Gas .....May 56
Air Conditioning. Crash Courses in .....Jul 46
Air Conditioning. Establishing a Maintenance Guidebook for Engine Driven, by DSI Training System .....Sep 145
Air Conditioning. How To Establish and Maintain Cleanliness of Closed Piping for Large Building, by C. M. Loucks .....May 114
Air Conditioning Operating Cost for Office Buildings Analyzed in Report .....Jul 42
Air Conditioning. Simplified Design Provides Efficient Computer Room .....May 242
Air Conditioning Systems. Applying Vane Axial Fans in, by H. J. Novick .....Jul 101
Air Conditioning Systems. Applying Vane Axial Fans in, by H. J. Novick .....Sep 106
Air Conditioning Systems. Applying Vane Axial Fans in, by H. J. Novick .....Oct 116
Air Conditioning Systems. Energy Analysis for, by H. J. Schrei .....Apr 151
Air Conditioning Systems: State of the Art. Testing and Balancing of, by J. Gladstone ..Feb 112; *Jul 83; Aug 56*
Air Conditioning Systems Up in 1967. Installed Value of Field Engineered .....Jul 44
Air Conditioning the Outdoors at Astroworld, by I. A. Naman and J. B. Buckley .....Aug 72
Air Cooled Absorption Systems Possible. Modified LiBr Absorbent May Make .....Mar 60
Air Distribution Systems. New Method of Noise Analysis for High Velocity, by R. H. Dean and F. J. Dean, Jr. .....Jan 132
Air Filters To Provide Specific Identification. ARI Classifies Five Types of .....Sep 50
Air Floor in Office Building Design. Variable Volume System Coupled with, by H. P. Brehm .....Apr 87
Air Quality Monitoring, System Serves Four Pennsylvania Power Stations .....Apr 44
Air Pollution: A Problem To Control Now, by P. J. Marschall ....Jan 186
Air Pollution Control Could Require $105 Billion by Year 2000 ....May 47
Air Pollution. Controlling Particulate Types of, by J. M. Kane .....Jan 188
Air Pressure Aids Grape Juice Filtering Process. Close Control of Plant .....Aug 48
Air Quality Control Regions. PHS Defines Eight Atmospheric Areas To Designate .....Mar 58
Air System Installations. Fire Protection in, by N. B. Hutcheon ....Dec 102
Air Systems. Duct Design, Noise Control, Fire Protection for .....Dec 37
Air Systems. Operation and Maintenance of, by C. S. Eckler .....Dec 107
Air Systems Will Cover Duct Design and Analysis by Computer. HPAC Conference on .....Sep 54
Air Through Underground Ductwork to Renovated Old Court House Museum. Providing Conditioned .....Jun 52
All-Electric Building's Cooling Cost. Urethane Insulation Helps Cut May 52
All-Electric School. Gives Operating Data on (Open for Discussion), by J. C. Penafeather .....*Oct 89*
All-Electric Systems. MCAA Clarifies Position on .....Jul 39
Alternate To Eliminate Disadvantages. Proposes (Open for Discussion), by S. Agnon .....*Dec 74*
Aluminum Roof Exhauster Caps — Wind Chimes for Store's Exterior. New Use for .....Jun 46
Aluminum Sleeves Reinforce In-place Tubing Joints. Fitted .....Feb 54
American Power Conference Papers Will Cover Building Energy Supply, Pollution .....Apr 40
Analysis for Air Conditioning Systems. Energy, by H. J. Schrei ....Apr 151
Analysis of Transients in Hydraulic Systems To Be Covered in UW Institute .....Nov 48
Apartment Tenants. Heat Pumps Provide Economical Services for, by J. W. Megley .....Jan 124; *Sep 85*
APEC Meeting. Duct, Piping Design

Computer Program Will Be Demonstrated at ....Nov 46
APEC Reports Progress on Duct Design Program, by R. P. Hankins ....Nov 151
Apprentice Requirements. NCA President Asks Appraisal of ....Oct 38
Arbitration Is Unfair? Does Contractor Have Recourse If Binding, by R. A. Brown ....Mar 123
Arbitration. Voluntary, Not Compulsory ....Aug 50
ARCA, NWA Merge: New Name for Group ....Nov 41
ARCA-NWA Merger Study Progresses ....Jun 52
Arc. Portable Machine Welding Head Automatically Controls ....Mar 60
ARI Reports on Standards, Manpower; Elects Cecil Boling President at Annual Meeting ....Jan 48
ASHRAE Annual Meeting. Examine Fire Hazards at, by T. Elliott Aug 86
ASHRAE. Fire Protection, Energy Requirements on Agenda for 75th Annual Meeting of ....Jun 48
ASHRAE Meeting. How To Improve Man's Indoor Environment: Keynote Address at ....Mar 50
ASHRAE Research Capability. Meeting Points Up, by T. Elliott ....Mar 114
ASHRAE Show: Impoved Equipment, Better Liaison in the Industry. What's Ahead for ....Dec 42
ASME Sign Agreement To Cooperate on Boiler, Pressure Vessel Specifications. ASTM ....Dec 46
Astroworld. Air Conditioining the Outdoors at, by I. A. Naman and J. B. Buckley ....Aug 72
Atmosphere as a Common Carrier. The, by L. W. Crow ....Mar 134
Auto Repair Shops. How To Ventilate, by T. L. Ammerman ....Oct 126

B

Balancing and Testing. Air, by M. J. Wind ....Dec 112
Balancing of Air Conditioning Systems: State of the Art. Testing and, by J. Gladstone ....Feb 112; *Jul 84; Aug 56*
Ball Valve Desirable. Equal Percentage (Open for Discussion — See Nov 145, 1967), by R. B. Weil ....*May 90*
Base Disaster Blamed on Welding Mishap. Missile, by W. Hammer ....Dec 94
Batch Heating, Cooling Variables. Nomograph Gives, by F. Caplan ....Feb 149
Bernoulli's Law. Nomograph Solves, by F. Caplan ....Dec 119
Boiler, Pressure Vessel Specifications. ASTM, ASME Sign Agreement To Cooperate on ....Dec 46
Boiler Ratings. New I=B=R ....Jul 44
Boiler Tube Corrosion. How To Prevent, by H. F. Hinst ....Nov 100
Braze Alloys Indicate Metal Surface Temperatures ....Dec 48
Building. Flexibility: Key to Design of Basic Science, by R. R. Miller and D. H. Fischer ....Dec 83
Building Pace Will Continue, Staffing Problems Will Increase ....Jan 45
Burners for Efficient, Safe Operation. How To Control Fuel, by F. G. Bastick ....Mar 109; *Jun 89, 92*
Burnouts of Packaged Unit Motor Starters. Misplaced Wire Causes, by A. D. Sullivan ....Nov 131

C

Campus. Central Plant Will Pipe Chilled Water to Multibuilding Puerto Rican ....May 58
Campus. How Coal-Fired District Steam, HTW System Serves BYU ....Aug 68
Campuses—Combination Centrifugal-Absorption Systems: Which Units Should Do High, Low End Cooling? District Water Chiller for University, by M. J. Wilson ....Aug 78
Campuses — How Secondary Systems Affect Primary Flow, Chiller Arrangement. District Water Chilling for University, by M. J. Wilson ....May 109
Campuses—Relative Economics of District vs Decentralized Absorption vs Combination. District Water Chilling for University, by M. J. Wilson ....Sep 113
Campuses—Sequencing Chiller Operation, Using Distribution Storage Potential for Operating Economy. District Water Chilling for University, by M. J. Wilson ....Jul 112
CD/S Best in Total Energy: How About Standby Standby? (Open for Discussion), by J. A. Holbrook *Jan 116*
CEC Management Conference Report —Role of Consultant and Package Builder in Future Construction, by C. Huck ....Jun 136
CEC Meeting. Fees, Ethics, Insurance Discussed at ....Jun 43
Ceiling Plenum Is Air "Source/Sink" in Air Conditioned Research Building, by W. B. Matney ....Sep 117; *Nov 81, 82, 83, 84*
Central Plant Will Pipe Chilled Water to Multibuilding Puerto Rican Campus ....May 58
Central Plant Will Supply Steam, Chilled Water to Houston Medical Center Complex ....Jun 50
Centrifugal - Absorption Systems: Which Units Should Do High, Low End Cooling? District Water Chilling for University Campuses—Combination, by M. J. Wilson ....Aug 78
Centrifugal Chillers. How to Apply Motive Power to Open, by P. L. Hughes ....Apr 97
Chicago Construction Institute Formed ....Mar 58
Chilled Water Systems. Use PVC Piping for Department Store's Well Water, ...Oct 105
Chilled Water to Houston Medical Center Complex. Central Plant Will Supply Steam, ...Jun 50
Chilled Water to Saigon Air Base Complex. Underground Asbestos-Cement Piping Carries ....Feb 192
Chiller Arrangement. District Water Chilling for University Campuses—How Secondary Systems Affect Primary Flow, by M. J. Wilson ....May 109
Chiller Operation, Using Distribution Storage Potential for Operating Economy. District Water Chilling for University Campuses—Sequencing, by M. J. Wilson ....Jul 112
Chillers. How To Apply Motive Power to Open Centrifugal, by P. L. Hughes ....Apr 97
Circumferential Stresses in Ovalized Tubes with Internal Pressure, by J. E. Brock ....Aug 66; *Oct 92*
Cleanliness of Closed Piping for Large Building Air Conditioning. How to Establish and Maintain, by C. M. Loucks ....May 114
Clean Room Filters. Leak Checking, by J. D. Stockham ....Feb 120; *Jul 86*
Clean Room Filters. Vouches for Method of Leak Checking (Open for Discussion), by H. E. Gillespie ....*Jul 86*
Clean Rooms. New Space Flight Center Features High Bay Laminar Flow, by D. W. Stanfill and J. C. Little ....Oct 108
Clean Semiconductor Materials. Deionized Water, Filtered Air ....Feb 48
Closed Piping for Large Building Air Conditioning. How To Establish and Maintain Cleanliness of, by C. M. Loucks ....May 114
Coal-Fired District Steam, HTW System Serves BYU Campus ....Aug 68
Coal Reserves and Research. Has Spent $20 Million So Far. Oil Refining Firm Investing in ....Feb 50
Code Calls For New Use of Terms. New Nuclear (Open for Discussion), by J. E. Brock ....*Apr 74*
Code for Pressure Piping: Annulments and Withdrawals. Interpretation of ....Oct 38
Code for Pressure Piping. Interpret Queried Section of ....May 118
Code for Pressure Piping. Interpret Queried Section of ....Nov 134
Coil Less Complex To Design and To Control. Single (Open for Discussion), by J. D. Truslow ....*Jan 112*
College Complex. Mechanical Couplings Provide Flexibility in Tunnel Piping for ....Mar 52
Compressor Knock. Double Riser Suction Line Stops, by A. D. Sullivan ....May 130
Computer Console Will Control Variables in 64 Story Office Building ....Nov 50
Computer Controlled Heating-Cooling Plant Serves San Antonio's HemisFair '68 ....May 48
Computer Control. San Antonio Provides Heating, Cooling To HemisFair '68, Downtown Buildings Under On-line, by P. C. Nail and L. F. Campos ....Jul 91
Computer Design of Industrial Exhaust Systems, by J. R. Lynch Sep 97
Computer for Lighting Computations. Using the, by R. P. Hankins, Jr. Oct 159
Computer Group Moves Ahead. Fast Growing, by T. Elliott ....Jan 150
Computerized Device. Solving Temperature, Moisture Problem for, by A. D. Sullivan ....Aug 82
Computer Program for Building Shapes ....Oct 48
Computer Program for SO_2 Emissions ....Jul 50

Computer Programs Will Be Demonstrated at APEC Meeting. Duct, Piping Design ....Nov 46
Computer Room Air Conditioning. Simplified Design Provides Efficient ....May 242
Computers in Bldg. Firm Gets Patent on ....Nov 54
Computer Technique Monitors Actual vs Allocated Costs ....Nov 54
Condensation. Charts Simplify Calculation for Wall and Window, by F. Caplan ....Apr 135
Condenser Tubing. An Unusual Failure of Evaporative, by L. Caruso and S. Sussman ....Oct 115
Conference Attendees Logged Total of 156,130 Miles. HPAC ....Dec 42
Configurations for Control Valve Manifolds, by J. A. Masek ....Sep 124
Construction Industry Affairs Committee of Chicago Adopts Subs' Payment Resolution ....Mar 52
Construction Industry Committing Economic Suicide: MCAA's Kromer ....Oct 35
Construction. Role of Consultant and Package Builder in Future (CEC Management Conference Report), by C. Huck ....Jun 136
Consultant and Package Builder in Future Construction. Role of (CEC Management Conference Report), by C. Huck ....Jun 136
Contaminated Areas. Improved Tunnel Suit Eases Entry into, by S. Agnon ....Jan 154
Control. Building Blocks for Fluidic, by R. C. Mott ....Jun 103
Control Center for 27 Story Building ....Feb 44
Control Fuel Burners for Efficient, Safe Operation. How To, by F. G. Bastick ....Mar 109; *Jun 89*. 92
Control in Central Station Power Plants. Sulfur Oxides, by W. T. Reid ....Mar 148
Controlled Combustion for Solid Wastes Disposal, by J. E. Fife Mar 140
Controlled Environment. Salmon Thrive on ....Jan 50
Controls Regulate Heating, Cooling in Office Building. Solid State ....Jan 328
Control Valve Manifolds. Configurations for, by J. A. Masek ....Sep 124
Control Valve Manifolds. Flow Through, by J. A. Masek ....Oct 131
Control Valve Manifolds. Piping Design for, by J. A. Masek ....Aug 89
Cooling an Outdoor Stage ....Dec 48
Cooling As Part of Expansion. Rehabilitation Hospital Adding Total ....Sep 230
Cooling? District Water Chilling for University Campuses—Combination Centrifugal-Absorption Systems: Which Units Should Do High, Low End, by M. J. Wilson ....Aug 78
Cooling, Heating Loads. How Louvered Sun Screens Cut, by C. W. Pennington ....Dec 87
Cooling Methods for Mechanical Seals. Compare, by L. E. Hershey ....Mar 117; *May 89*
Cooling Systems. Room-by-Room Control of Heating, by G. F. Carlson ....Dec 79
Cooling Tests. Mechanical Seal (Open for Discussion), by H. Tankus and J. W. Abar ....*May 89*
Cooling To HemisFair '68, Downtown Buildings Under On-line Computer Control. San Antonio Provides Heating, by P. C. Nail and L. F. Campos ....Jul 91
Cooling Tower Ratings. Truth in (Open for Discussion—See Dec 84, 1967), by B. V. Blazer ....*May 93*
Cooling Tower Test Facility Will Measure Fan Performance ....Apr 42
Copper Tubing Supply Hospital with Oxygen. 25,000 lb of ....Nov 44
Corrosion. How To Prevent Boiler Tube, by H. F. Hinst ....Nov 100
Corrosion. NBS Laboratories Investigating Microbes and Metal ....Feb 41
Cost for Office Buildings Analyzed in Report. Air Conditioning Operating ....Jul 42
Cost of "Crashing" a Project. How To Estimate, by T. N. Dinning, Jr. ....Apr 93
Costs. Computer Technique Monitors Actual vs Allocated ....Nov 54
Costs. Thermal Environment for Schools—A Study of Utility, by R. C. Ring ....Jun 107; *Oct 89, 90*
Cost. Urethane Insulation Helps Cut All-Electric Building's Cooling May 52
Court—As An Expert Witness. Your Day in, by R. H. Emerick ....Oct 113
Court Rules Contractor Must Be Licensed, by R. A. Brown ....May 150
Court Rules District Steam, Chilled Water Plant for City Not a General Public Service ....Sep 46
"Crashing" a Project. How To Estimate Cost of, by T. N. Dinning, Jr. ....Apr 93
Cryogenic Piping. Design Stress-Relieves Jacketed ....Apr 46
Cryogenic Piping. Support Design for, by C. S. Parker ....Jan 143
Cryogenic Temperatures. Dynamic Valve Seal Ring Is Reliable at Jun 56
CSI To Establish Research Foundation ....Mar 56
Cyclotron. Mechanical System Design for Texas A & M, by J. C. Williamson ....Nov 95

D

Dampers, How To Use Self-Acting Static Pressure Regulating, by R. L. Dobrin ....Aug 80
Demineralized Water to Space Limited Research Laboratories. Glass Piping System Carries ....Apr 104
Design for Texas A & M Cyclotron. Mechanical System, by J. C. Williamson ....Nov 95
Design. How To Save Pumping Power in Hydronic System, by G. F. Carlson ....Feb 101
Design of Basic Science Building. Flexibility: Key to, by R. R. Miller and D. H. Fischer ....Dec 83
Design Program. APEC Reports Progress on Duct, by R. P. Hankins Nov 151
Detectors. How To Apply Duct Smoke, by J. Shanahan ....Feb 118; *Oct 92*
Determinants To Solve Three-Plane Problem Equations. Piping Flexibility Analysis—Using, by C. A. Lee ....Dec 91
Diesel Engine Emissions. PHS Develops Smoke Density Measuring Device for ....Mar 234
Directory of Engineering Societies, Associations, Institutes ....May 151
Distribution, Split-Function Cooling Are Unusual Features (Open for Discussion), by O. F. Smith ....*Jan 111*
District Heating-Cooling Plant Will Serve Downtown Tulsa Area ....Jun 48
District Steam, HTW System Serves BYU Campus. How Coal-Fired Aug 68
District Steam Sales Reported, Whirl Installed as President at IDHA Meeting ....Aug 46
District Water Chilling for University Campuses—Combination Centrifugal - Absorption Systems: Which Units Should Do High, Low End Cooling?, by M. J. Wilson ....Aug 78
District Water Chilling for University Campuses—How Secondary Systems Affect Primary Flow, Chiller Arrangement, by M. J. Wilson ....May 109
District Water Chilling for University Campuses—Relative Economics of District vs Decentralized, Absorption vs Combination, by M. J. Wilson ....Sep 113
District Water Chilling for University Campuses—Sequencing Chiller Operation, Using Distribution Storage Potential for Operating Economy, by M. J. Wilson ....Jul 112
Downtown Tulsa Area. District Heating-Cooling Plant Will Serve ....Jun 48
Drainlines Handle Acid Wastes In University's Chemistry Building. Two Miles of Glass ....May 48
Duct Design, Noise Control, Fire Protection for Air Systems ....Dec 37
Duct Design Program. APEC Reports Progress on, by R. P. Hankins ....Nov 151
Duct, Piping Design Computer Programs Will Be Demonstrated at APEC Meeting ....Nov 46
Ducts in Institutional, Assembly Buildings. NFPA Standard Permits Use of Nonmetallic ....Sep 48
Duct Smoke Detectors. How To Apply, by J. Shanahan ....Feb 118; *Oct 92*
Ductwork to Renovated Old Court House Museum. Providing Conditioned Air Through Underground ....Jun 52

E

Economics: A General Model for Investment Decisions. Engineering, by A. Reisman ....Apr 110
Economics: A General Model for Investment Decisions. Engineering, by A. Reisman ....May 133
Economics: A Unified Approach. Engineering, by A. Reisman ....Feb 122; *Aug 55*
Economics: A Unified Approach. Engineering, by A. Reisman ....Jan 165; *Aug 55*
Economics: Methods for Choosing Among Competing Investment Opportunities. Engineering, by A. Reisman ....Sep 130

Economics of District vs Decentralized, Absorption vs Combination. District Water Chilling for University Campuses—Relative, by M. J. Wilson ....Sep 113
Economics. Reconciling the Methods of Engineering, by A. Reisman Jul 119
Economic Suicide: MCAA's Kromer. Construction Industry Committing ....Oct 35
Economy Come at Expense of Comfort, Safety? Did Conditioning (Open for Discussion), by K. E. Robinson ....*Nov 81*
Economy. District Water Chilling for University Campuses—Sequencing Chiller Operation, Using Distribution Storage Potential for Operating, by M. J. Wilson ....Jul 112
Economy Features Can Also Be Added in Conventional Systems. (Open for Discussion), by R. T. Martin *Dec 71*
Economy from the General Model. Deducing the Methods of Engineering, by A. Reisman ....Jun 129
Economy: Methods for Choosing Among Competing Investment Opportunities. Engineering, by A. Reisman ....Oct 138
Economy: Some Extended Examples of Analyses Using the General Model. Engineering, by A. Reisman ....Nov 135
Educate Yourself, Says ASHRAE's New President. Continue To ....Aug 43
Employment. MCAA Convention Report—Minority Group, by D. R. Bahnfleth ....Jul 115
Energy Cycles. Saturated Pressure-Temperature Relations of (Open for Discussion), by D. N. Crosthwait ....*Mar 88*
Engine Driven Air Conditioning. Establishing a Maintenance Guidebook for, by DSI Training System ....Sep 145
Engineering Economics: A General Model for Investment Decisions, by A. Reisman ....Apr 110
Engineering Economics: A General Model for Investment Decisions, by A. Reisman ....May 133
Engineering Economics: A Unified Approach, by A. Reisman ....Feb 122; *Aug 55*
Engineering Economics: A Unified Approach, by A. Reisman ....Jan 165; *Aug 55*
Engineering Economics: Methods for Choosing Among Competing Investment Opportunities, by A. Reisman ....Sep 130
Engineering Economics. Reconciling the Methods of, by A. Reisman ..Jul 119
Engineering Economy from the General Model. Deducing the Methods of, by A. Reisman ....Jun 129
Engineering Economy: Methods for Choosing Among Competing Investment Opportunities, by A. Reisman ....Oct 138
Engineering Economy: Some Extended Examples of Analyses Using the General Model, by A. Reisman, Nov 135
Engineering Short Course Theme: Obtaining Valid Data on Purpose in 1979. Measurements ....Oct 46
Engines. Stored Steam Drives Ejectors in High Altitude Tests of Earthbound Rocket, by H. C. Fasig, Jr., L. Tillman Jr., and D. H. Cunningham ....May 103
Environment: Keynote Address at ASHRAE Meeting. How To Improve Man's Indoor ....Mar 50
Environment for Schools—A Study of Utility Costs. Thermal, by R. C. Ring ....Jun 107; *Oct 89, 90*
Environment for the Hospital Surgical Suite. Providing the Best, by W. Viessman ....Aug 61
Equipment. How To Prevent Accidents to ....May 54
Equipment, Loads, Operating Experience. A Gas Total Energy Installation: by H. Holloman and W. Campbell ....Jul 107
Estimate Cost of "Crashing" a Project. How To, by T. N. Dinning, Jr. ....Apr 93
Evaporative Condenser Tubing. An Unusual Failure of, by L. Caruso and S. Sussman ....Oct 115
Exhauster Caps—Wind Chimes for Store's Exterior. New Use for Aluminum Roof ....Jun 46
Exhaust Systems. Computer Design of Industrial, by J. R. Lynch ....Sep 97
Expansion Joints? Packed Slip or Packless Bellows, by M. J. Hannah ....May 122
Expansion Tanks Common in European Heating Practice (Open for Discussion), by W. M. Marcinkowski ....*Dec 69*
Expenditures in U.S. Expected to Reach $26.5 Billion This Year. R & D ....Feb 46
Explosive Welding. Parameters, Limitations of ....Oct 50

F

Factored System for Pricing Piping Installations, by T. N. Dinning.... ....Jun 112; *Oct 89, 90*
Factors for Glass with Inside Shading. Time Integrated Solar Heat Gain, by T. Sun ....Nov 124
Factors in Fuel Burner Operation (Open for Discussion), by J. M. Hartman ....*Jun 92*
Factors. Time Integrated Solar Heat Gain, by T. Sun ....May 141
Factors. Time Integrated Solar Heat Gain, by T. Sun ....Jun 144
Factors. Time Integrated Solar Heat Gain, by T. Sun ....Sep 138
Fan-Coil Units Keep Hospital Comfortable, Quiet. Supplied Air, by R. T. Danks ....Mar 103
Fan Law. Nomograph for, by R. J. Yevak ....Nov 143
Fans in Air Conditioning Systems. Applying Vane Axial, by H. J. Novick ....Jul 101
Fans in Air Conditioning Systems. Applying Vane Axial, by H. J. Novick ....Sep 106
Fans in Air Conditioning Systems. Applying Vane Axial, by H. J. Novick ....Oct 116
Fans Ventilate New Paper Mill's Steam Generating Plant. Aluminum Vane Axial ....May 119
Filters. Leak Checking Clean Room, by J. D. Stockham ....Feb 120; *Jul 86*
Finding of Fact, Conclusions of Law, by R. A. Brown ....Jul 118
Fire Protection for Air Systems. Duct Design, Noise Control, ...Dec 37
Fire Protection in Air System Installations, by N. B. Hutcheon ....Dec 102
Fire Hazards at ASHRAE Annual Meeting. Examine, by T. Elliott ....Aug 86
Fittings, Valves. Nomograph Determines Friction Losses Through, by F. Caplan ....Mar 155
Flange Assemblies. How To Connect Flow Transmitters to Orifice, by J. A. Masek ....Apr 116
Flanges. Spherical Joint Connects Axially Misaligned ....Sep 56
Flexibility Formulas in Programmable Form. Offers (Open for Discussion), by S. Poley ....*Apr 76*
Flexibility: Key to Design of Basic Science Building, by R. R. Miller and D. H. Fischer ....Dec 83
Flow Through Control Valve Manifolds, by J. A. Masek ....Oct 131
Flow Transmitter Hookups. How To Apply Tubing in, by J. A. Masek ....Jun 139
Flow Transmitters to Orifice Flange Assemblies. How To Connect, by J. A. Masek ....Apr 116
Flue Stacks. Charts Determine Gas Temperature Drops in Metal, by G. R. Mueller ....Jan 138
Fluidic Control. Building Blocks for, by R. C. Mott ....Jun 103
Fluid Studies. Research Facility for ....Nov 48
Foamed Plastic Insulation: Useful Tool? Fire Hazard?, by B. Korte ....May 138
Forks? Why Does Pipe Stress Program Neglect Closed Loops and (Open for Discussion), by H. B. Ellis ....*Feb 89*
Fuel Burner Operation. Factors in (Open for Discussion), by J. M. Hartman ....*Jun 92*
Fuel Burners for Efficient, Safe Operation. How To Control, by F. G. Bastick ....Mar 109; *Jun 89, 92*

G

Garage. Ventilation Design for 1000 Car Parking, by B. Fellenbaum Nov 113
Gas Air Conditioning and Reheat System for Biology Building. Sequentially Controlled ....May 56
Gas Cooled Nuclear Reactor. Ventilation for High Temperature Helium, by F. F. Stevenson ....Oct 136
Gas Cooled Reactor: Progress in Nuclear Power Generation. High Temperature, by F. F. Stevenson ....Aug 95
Gas Prime Movers in Use Throughout U.S., Study Shows. More Than 61,000 ....Jan 56
Gas Temperature Drops in Metal Flue Stacks. Charts Determine, by G. R. Mueller ....Jan 138
Gas Total Energy Installation: Equipment, Loads, Operating Experience. A, by H. Holloman and W. Campbell ....Jul 107
Gas Total Energy System Will Serve 900,000 sq ft Tollway Office Complex ....Jan 52
Gaseous Pollutants. Control of, by B. D. Bloomfield ....Jan 195

Generation. High Temperature Gas Cooled Reactor: Progress in Nuclear Power, by F. F. Stevenson .... Aug 95
Glass Drainlines Handle Acid Wastes in University's Chemistry Building. Two Miles of ... May 48
Glass Piping System Carries Demineralized Water to Space Limited Research Laboratories ... Apr 104
Glove Box System? Any Operating Problems in (Open for Discussion), by M. N. Birken ... *Apr 74*
Guide for Industrial Piping Designers, by J. Kelly and P. Heck .... Jan 173

H

Handbook, Fifth Edition. Piping, by J. E. Brock ... Feb 109
Heat Gain Factors. Time Integrated Solar, by T. Sun ... May 141
Heat Gain Factors. Time Integrated Solar, by T. Sun ... Jun 144
Heat Gain Factors. Time Integrated Solar, by T. Sun ... Sep 138
Heat Gain Factors for Glass with Inside Shading. Time Integrated Solar, by T. Sun ... Nov 124
Heat Pump Cost Analysis? Deceptive Practices in (Open for Discussion), by L. J. Hollander ... *Sep 85*
Heat Pumps Provide Economical Services for Apartment Tenants, by J. W. Megley ... Jan 124; *Sep 85*
Heating-Cooling Plant Serves San Antonio's HemisFair '68. Computer Controlled ... May 48
Heating-Cooling Systems. Room-by-Room Control of, by G. F. Carlson ... Dec 79
Heating, Cooling to HemisFair '68, Downtown Buildings Under On-line Computer Control. San Antonio Provides, by P. C. Nail and L. F. Campos ... Jul 91
Heating for High Rise Buildings. Nonpressurized Hot Water, by G. A. Udolf Jun 118; *Dec 69, 71, 72, 74*
Heating Loads. How Louvered Sun Screens Cut Cooling, by C. W. Pennington ... Dec 87
Heating of Housing for the Elderly (Open for Discussion), by S. A. Silver ... *Mar 88*
Heating Practice. Open Expansion Tanks Common in European (Open for Discussion), by W. M. Marcinkowski ... *Dec 69*
Heat Treatment Facility. Well Water Is Quench Medium in New, by C. F. Rose ... Nov 121
Helium Gas Cooled Nuclear Reactor. Ventilation for High Temperature, by F. F. Stevenson ... Oct 136
HemisFair '68. Computer Controlled Heating-Cooling Plant Serves San Antonio's ... May 48
HemisFair '68, Downtown Buildings Under On-line Computer Control. San Antonio Provides Heating, Cooling to, by P. C. Nail and L. F. Campos ... Jul 91
High Rise Buildings. Nonpressurized Hot Water Heating for, by G. A. Udolf ....Jun 118; *Dec 69, 71, 72, 74*
High Rise Construction. Prefabrication Opportunities Greatest in Apr 33
